

NATURE'S MUSIC

A class on nature, science, technology, and human perception.

Come listen and learn about early recording technologies and how the sounds of nature came to play a part in motion pictures, experimental music, and the environmental movement.

Wednesdays, 5:30-7pm
Sept. 9-Oct. 21 (no class Oct. 1)
UW Arboretum Visitor Center
1207 Seminole Hwy.
\$100

Taught by Craig Eley
ACLS Public Fellow
Producer, To the Best of Our Knowledge
